

Get Your Shine On!

Volunteers of America RISE SHINE Benefit Breakfast

What is it?

Rise and Shine is Volunteers of America, Dakotas' largest annual fundraiser. The event was free to attend, and guests had an opportunity to give a gift.

Who attended?

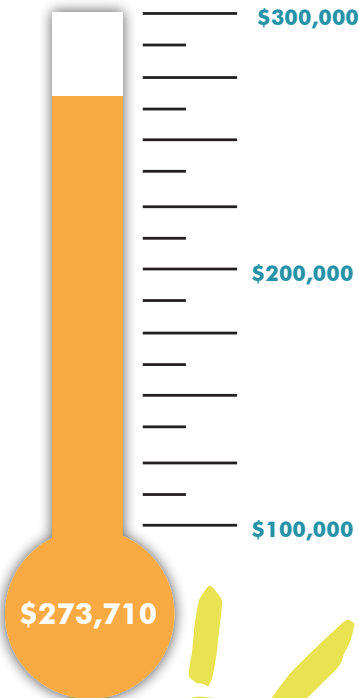

Nearly 800 community leaders joined us Thursday, May 2. We couldn't do it without our table hosts! Each host invites nine guests to the event.

Recap!

Volunteers of America, Dakotas Managing Director, Brian Mulder, spoke about the CHOICES program. He shared the message of how God's children are "beautifully and wonderfully made." This program serves over 90 people who have been diagnosed with an intellectual developmental disability through both residential and day services.

We were honored to meet three participants who receive these services, Jeremiah, Christian and Erik. All with different walks of life receive services to help them live safer, healthier and happier lives in their home and community.

Each of these individuals and their families credit Volunteers of America, Dakotas for helping them live healthy and fulfilling lives.

To our donors, friends, employees and volunteers who make Rise and Shine and the work we do every day possible! We are sincerely grateful for your support.
