RISE SHINE

Benefit Breakfast

2026

We were grateful to come together with so many friends and supporters at the 2026 Rise & Shine Benefit Breakfast. During this year's event, we highlighted the impact of our New Start and Out-of-School Time programs and the lives they help shape every day. Thanks to the incredible generosity in the room, 228 individual gifts totaling \$85,944 were made during the event—helping us reach an overall total of \$236,335 to support individuals and families across our community through VOA Dakotas.
